What We Do

Our Financial Portfolio

At RyeCrest Finance, we have a long and broad extensive approach and portfolio in general to better suit the financial needs of every investor, organisation, stakeholders, and shareholders with us.

We will maintain a consistent decision-making and assets management process within our organization and, in turn, invest responsibly as a major asset, wealth management, and financial firm.

By Optimising our extensive assets management portfolio and spreading our wealth management and factors into severe secured sectors of the world's global commerce such as : the Real Estate industry, the Oil & Gas industry, the Renewable energy & Natural Gas (Green energy), the Mining industry, the Artificial intelligence industry, and the Stocks Market.

We are determined to bridge the gap between the optimal price and the current market price of the assets and produce the best excess revenue. We look for investment opportunities through intensive research, analysis, and insight. With a continuous and consistent investment approach and extensive risk management, we aim to steadily reach our goal.

We combine our deep knowledge of local markets with the power of coordinated global oversight to drive better investment outcomes for our investors, stakeholders, shareholders, and partners.

Agriculture

At RyeCrest Finance Group, as farming practices evolves over the years with an undeniable impact in the every day to day activities in our ever growing world, so have we also at RyeCrest Finance Group, we believe and have acted on the every growing and changing pattern to meet the needs of our customers, partners, and global markets. Whether we are testing new crop protection technology at our demonstration farms or developing improved canola oil products at our test kitchen, we are leading with innovation. In 2026, RyeCrest Finance Group is planning on opening up it's new high tech research farm. This leading edge facility supports RyeCrest's rigorous quality analysis along with food and ingredient product development.

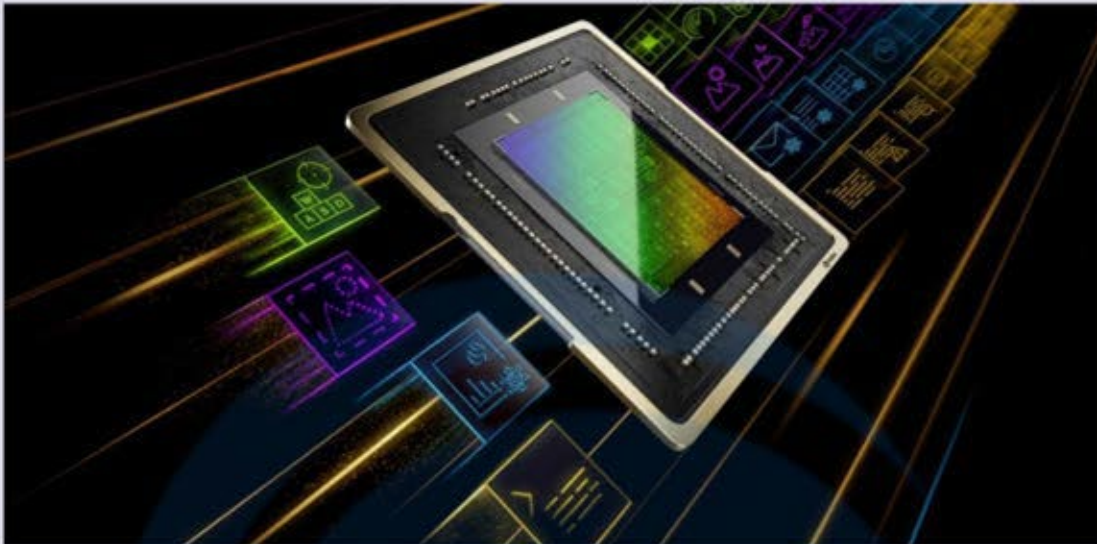

Stock Market

As, it's popularly known that the stock market, equity market, or share market is the aggregation of buyers and sellers of stocks (also called shares), which represent ownership claims on businesses; these may include securities listed on a public stock exchange, as well as stock that is only traded privately.

At RyeCroft Finance Group, we have implemented and engineered the right working protocols with highly recommended and detailed professionals in such fields with years of quality experience to drive and oversee our activities and indulgence into such field, as the stock market is a crucial aspect of the commercial market at large in general, we imply to earn the best from such ventures and make the best out of our every actions.

Artificial Intelligence

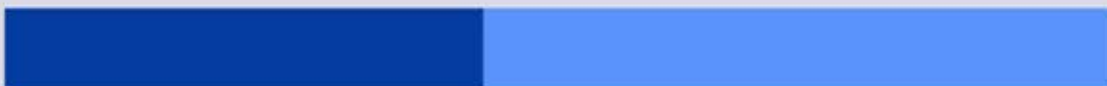

At RyeCrest Finance Group, we have developed and studied the core financial money makers and pioneers of our modern society and at the heart of that, the Artificial Intelligence industry sits, with so much impact in our modern society, AI-based technology has helped professionals make smarter business decisions by delivering insights from an extensive universe of public and private content—including company filings, event transcripts, news, trade journals, and equity research. At RyeCrest Finance Group, we implemented into our working platform, such ingenious industrial digitalization, enables industries grounded in physical processes to become software-defined and connect large, highly skilled teams. Generative AI and digitalization are reshaping the \$3 trillion automotive industry, from design and engineering to manufacturing, autonomous driving, and customer experience. And we at, RyeCrest Finance Group we choose to be at the epicenter of this industrial transformation.

Mining Industry

At RyeCroft Finance Group, we have studied the vital and beneficial aspects of the commercial markets and in turn applied the core and innovative approach to the mining industry and how best to benefit from such ventures even as an organisation and management to our various Investors and Customers. We now have, a diverse portfolio of shares and allocations in mines and projects in the United States, Canada, Brazil, Chile, and Mauritania. Headquartered in Toronto, Canada, RyeCroft Finance Group is focused on delivering value through operational excellence, balance sheet strength, disciplined growth, and responsible mining.

Oil & Gas

Investing in the oil and gas industry can be a complex process, but at Ryecroft Finance, we have developed a comprehensive approach that includes in-depth market analysis, rigorous due diligence, and proactive risk management. We believe that our approach allows us to identify attractive investment

opportunities while also managing risk effectively. The Oil and Gas industry plays a critical role in meeting the world's energy needs, and we believe that it will continue to be an important source of energy for many years to come.

Real Estate

A real estate limited partnership with Ryecroft Finance company is similar to a real estate investment group. It is an entity formed to buy and hold a portfolio of properties. However, DTc exists for a finite number of years. We, as experienced property managers or real estate development firms, serve as

general partner. Our investors then sought to provide financing for the real estate project in exchange for a share of ownership as limited partners. The partners received periodic distributions from income generated by the DTC's properties.

Renewable Energy & Natural Gas

Investing in renewable energy and natural gas can be complex, but at Ryecroft Finance, we have over the years developed a good working strategy and comprehensive skill set that enable us to get the best out of such sector. We strongly believe in green energy and the prospective future it holds for all. As we all

know renewable energy is energy from renewable resources that are naturally replenished on a human timescale. At Ryecroft Finance, we maximise our revenue input into and with Solar Energy, Wind Energy, Hydro Energy, Geothermal Energy and Biomass, we have implemented the best of the best operational solutions and practices that ensures we make the best of this sector right from the production stages of such energy to the consumption stage.

Terms & Conditions

1. Introduction

Ryecroft Finance is a multinational asset management organisation and platform available online.

We offer an automated financial service. As our client, we will manage your trading and finances on your behalf in a very low-cost manner to maximize your returns. By using our website, you enter into a series of legally binding agreements. You also agree to our Privacy Policy, which covers how we collect, use, share, and store your personal information. When you access our website ("our website" (which includes our blog), "our app" or "Ryecroft Finance") as a User and Client, you're agreeing to be bound by the following Terms of Use. Please, therefore, take the time to read the following binding Terms of Use below. For the purpose of this agreement a User is an individual who uses our website to evaluate our service, or for educational purposes and a Client is an individual who signs up on Ryecroft Finance that entitles the Client to have her or his portfolio managed by Ryecroft Finance. This Agreement, as well as the Privacy Policy applies to both Users and Clients. If you choose and wish to become a Client, you will be subject to these Terms of Use, our Client Agreement, our Privacy Policy and any additional terms to which you agree when you create and fund a trading and investment package.

2. Obligations

You must be 18 or older to access our website or mobile applications. Ryecroft Finance is intended solely for individuals who are 18 or older. Any access to or use of Ryecroft Finance by anyone under 18 is unauthorized, unlicensed, and in violation of these Terms of Use. By accessing or using Ryecroft Finance, you represent and warrant that you are 18 or older (Except on occasions where a guardian does handle such for a minor). In order to access certain features of Ryecroft Finance, you must register to create an account ("User Account"). When you register, you will be asked to choose a password, which you will be required to use to access your User Account. Ryecroft Finance has physical, electronic and procedural safeguards that comply with regulatory standards to guard Users' and Clients' non-public personal information (see Privacy Policy). You are responsible for safeguarding your password and other User Account information. You agree not to disclose your password to any third party and you will notify Ryecroft Finance immediately if your password is lost or stolen or if you suspect any unauthorized use of your User Account. As a User you agree that you shall be solely responsible for any activities or actions under your User Account, whether or not you have authorized such activities or actions. You agree that the information you provide to us on account registration through our website or mobile applications will be true, accurate, current, and complete.

3. Disclaimer and Limit of Liability

Ryecroft Finance cannot be held responsible for any financial insights or recommendations provided to users. For a User who is not a Client You understand and acknowledge that the trading and investing results you could obtain from trading and investing information and financial insights provided by Ryecroft Finance cannot be guaranteed and that Ryecroft Finance cannot be held responsible. All Trading and Investing entail a risk of loss and that you may lose money. Trading management services may be offered to individuals who become clients at the sole discretion of Ryecroft Finance. Your decision to engage our trading and investment services is subject to your explicit enrollment and acceptance of this Terms of Use. You agree and understand that your use of Ryecroft Finance is for educational and financial purposes only and is not intended to provide legal, tax or financial planning advice. You agree as a User that you are responsible for your own trading and investment research and trading and investment decisions, that Ryecroft Finance is only one of many tools you may use as part of a comprehensive trading education process, that you should not and will not rely on Ryecroft Finance as the primary basis of your trading decisions and, except as otherwise provided for herein, Ryecroft Finance will not be liable for decisions/actions you take or authorize third parties to take on your behalf based on information you receive as a User of Ryecroft Finance or information you otherwise see on our website.

4. Termination

Each of us can end this agreement at any time, subject to the maturity of all plans. We may terminate or suspend your access to Ryecroft Finance, at any time with or without prior notice to you if your account is found to be fraudulent. We will fully cooperate with any law enforcement authorities or court order requesting or directing us to disclose the identity of anyone posting, publishing, or otherwise making available any User information, emails, or other materials that are believed to violate these Terms of Use. Any suspension, termination, or cancellation shall not affect your obligations to Ryecroft Finance under these Terms of Use (including but not limited to ownership, indemnification, and limitation of liability), which by their sense and context are intended to survive such suspension, termination, or cancellation.

5. General Terms

In the event that any provision in these Terms of Use is held to be invalid or unenforceable, the remaining provisions will remain in full force and effect. The failure of a party to enforce any right or provision of these Terms of Use will not be deemed a waiver of such right or provision. You may not assign this Agreement (by operation of law or otherwise) without the prior written consent of Ryecroft Finance and any prohibited assignment will be null and void.
